ACCESSIBILITY

Accessibility by public transport

Please use the route planner of the Styria Public Transport Network (Verbundlinie Steiermark): <https://verkehr-sauskunft.verbundlinie.at/>

Parking

- Designated disabled parking space available opposite the of the entrance to the railway
- Short-stay parking zone along the Kaiser-Franz-Josef-Kai
- Schlossberg multi-storey car park, Sackstraße 29, approx. 80 m to the railway
- Kastner & Öhler underground car park on Kaiser-Franz-Josef-Kai approx. 400 m to the railway

ENTRANCE AREA

- Tactile floor guidance system to the entrance
- Access asphalted
- Step-free entrance
- Automatic sliding doors made of glass
- Clear door width 110 cm

INTERIOR AREA

- Cash desk height 95 cm
- Toilet in the entrance area, not accessible
- For wheelchair users and people with reduced mobility, a separate entrance (to the right of the railway) will be opened (electric sliding door from glass, clear door width 110 cm). This entrance leads to a stair lift that takes the person to the top compartment of the Schlossberg funicular railway
 - Stair lift platform: 100 x 100 cm
 - 2 door latches at a height of 105 cm
 - Operated by the staff

Valley station entrance

Gondola entrance

Lift platform

- The step at the end of the stair lift can be lowered so that there is no level difference when accessing the railway
- If necessary, the gap between the steps and the railway (approx. 10 cm) can be bridged with a board

Lift

TRAIN

- Last compartment (top) accessible
- Electric sliding door, clear door width 90 cm
- Door edges colour coded
- Space for 2 wheelchairs
- Length 180 cm, width 195 cm, turning circle 150 cm (with just one wheelchair user)
- 1 folding chair available (seat height approx. 50 cm)
- Vertical handrails on the door (height 40–95 cm)
- Horizontal handrail throughout the compartment, height 120 cm
- Audible signal on departure and arrival

Mountain station exit

SCHLOSSBERG EXIT

- A stair lift is also available after getting off the train that takes the wheelchair user to the exit.
 - Platform, stair lift exit: 90 x 110 cm
 - 2 door latches at a height of 105 cm
 - Operated by the staff
- Exit: automatic sliding door made of glass
- Clear door width 126 cm

ADDITIONAL INFO

- Trains run at intervals of 15 minutes
- Guide dogs allowed
- Two wheelchair users can be transported per trip; for more than two wheelchair users, please book in advance by telephone (the train will then accommodate two wheelchair users at a time and depart at shorter intervals)
